

# CORPORATE **BROCHURE**

[www.awawt.com](http://www.awawt.com)

# About us

*Established in 2020, AWAWT has grown to become one of the leading supplier and distributor of Lubricants, Safety Items, PPE, Tools, Pumps, Valves & Fittings, Chemicals in Oman for Oilfield Service / Industrial Companies. We have a broad portfolio of chemicals ranging from high end specialty to commodity Chemicals for oilfields. The company also specializes in supplying oilfield mechanical products to major companies operating in the oil and gas industry.*

## Our Vision

*We hold our values and principles over profit. Our aim is not just to be the largest supplier and distributor of our products in Kuwait and Oman, rather we believe in raising the bar with each operation we undertake and setting an example of excellence for our industry.*

## Our Mission

*We operate with a simple goal; Adding value to our customers operation by providing them with quality products at unparalleled price. We have excellent relationships with our suppliers and manufacturers, guaranteeing quality, price and on time delivery.*
